

**CITY OF LAGUNA NIGUEL
MEMBER OF THE CITY COUNCIL**

GARY CAPATA

AGE: 48

OCCUPATION: Certified Public Accountant/Laguna Niguel
Planning Commissioner

I know this community and want to continue my work to make our city a better place to live, work and raise a family. My years of experience in finance and business can be put to work for the citizens and taxpayers of Laguna Niguel.

In addition to creating a successful CPA practice in Laguna Niguel, I have been actively involved in our community, including:

Member, Laguna Niguel Planning Commission, including a term as Chairman.

Former Member, Laguna Niguel Transportation Commission and Parks & Recreation Commission

Past President, Laguna Niguel Chamber of Commerce

Past President, Laguna Niguel Rotary Club

Soccer and Little League Coach, Indian Guide Chief and Scout Leader for our children's youth activities.

My major goal as your City Councilman will be to keep Laguna Niguel a safe community, with enough sport and recreational activities to keep our young people away from gangs and drugs, and sufficient law enforcement to maintain our crime free community.

I will continue to work for increased parks, trails and expansion of our Senior Center activities, while maintaining prudent financial reserves.

I ask for your support for my efforts to keep Laguna Niguel a premier city.
